# BOUGAA KHALID

Front End Developer

PROFIL

I am currently looking for a new challenge, first of all, I would like to tell you that I have more than six months as a web designer, in addition to my knowledge, I can count on my sense of responsibility and my rigor. I am also open minded Someone who is easy to communicate with and a genuine desire to learn. I think those These are core values to achieve the level of performance you expect
